

The Commonwealth's Future is Cultivated by Us

Massachusetts should always be a place where our communities nourish us and help us grow. Right now, housing is the single best investment every community across the state can make to secure the future we all want and deserve.

As conveners in the affordable housing and community development field, CHAPA brings people together to find and advocate for equitable policy solutions to our affordable housing challenges together. Please join CHAPA in Partnership in these efforts for 2024 and beyond.

As our Partner, you will be recognized throughout the year and receive various benefits described herein while supporting CHAPA's work. Help make a difference in Massachusetts and across the nation — **because everyone should have a safe, healthy, and affordable place to call home.**
