Let’s Build a Strong Future for Every Person in Massachusetts Together.

Citizens’ Housing and Planning Association’s mission is to encourage the production and preservation of housing that is affordable to low- and moderate-income families and individuals and to foster diverse, sustainable communities through planning and community development.

As our Partner, you will be recognized throughout the year and receive various benefits described herein while supporting CHAPA’s work. Help make a difference in Massachusetts and across the nation - because everyone should have a safe, healthy, and affordable place to call home.
