

# CHAPA'S FY2025 BUDGET PRIORITIES

*The Goal: 200,000 Homes in Thriving Communities by 2030*

**CHAPA BELIEVES THAT EVERYONE SHOULD HAVE A SAFE, HEALTHY, ACCESSIBLE, AND AFFORDABLE HOME IN THE COMMUNITIES THEY CHOOSE.**

CHAPA has a bold plan to cultivate a stronger housing ecosystem statewide by the end of the decade so that all our people, cities, and towns thrive.

Our plan sets a goal of creating **200,000 homes — including 40,000 affordable and 20,000 deeply affordable homes** — by 2030.

As we work towards the goal, we need to ensure housing stability for households that need assistance right now.

We can create more equitable and thriving communities by investing in programs for affordable housing, homelessness prevention, and community development in the FY2025 state budget by focusing on CHAPA's **top budget priorities**:

- Invest **\$300 MILLION** in **MASSACHUSETTS RENTAL VOUCHER PROGRAM (MRVP)** to create new vouchers and codify MRVP into state statute through the outside section.
- Expand **ALTERNATIVE HOUSING VOUCHER PROGRAM (AHVP)** with **\$30 MILLION** investment to create more deeply affordable and accessible homes for people with disabilities.
- Preserve **PUBLIC HOUSING** with **\$189 MILLION** in operating subsidy to ensure housing stability for current and future public housing tenants.
- Expand **RESIDENTIAL ASSISTANCE FOR FAMILIES IN TRANSITION (RAFT)** with **\$300 MILLION** allocation to help families retain stable housing and prevent homelessness.
- Invest **\$3.5 MILLION** IN THE **ACCESS TO COUNSEL** initiative to help tenants and property owners with low income to access legal representation and prevent evictions.
- Fund a **STATEWIDE OFFICE OF FAIR HOUSING** with **\$5 MILLION** to help prevent housing discrimination while ensuring everyone is doing their part to affirmatively further fair housing.
